pages.gaggle.net/iowa**

Sponsored by Grant Wood AEA in association
with Gaggle.

Student Safety Symposiums are free for school and district administrators, cabinet members and other educators responsible for student online safety. Attendees will engage in strategic and tactical discussions, learn more about keeping students safe and enjoy plenty of networking opportunities.

Who Should Attend

School and district administrators and other educators responsible for student safety, including Superintendents, Assistant/Deputy Superintendents, Chief Operations Officers, Chief Technology Officers, Safety and Security Directors, School Police Chiefs and Principals.

Keynote

Lisa Strohman, Founder & President, Digital Citizen Academy
Additional presentations by representatives from area school districts and the Internet Crimes Against Children Task Force.

facilitated by

Lauren Thommes, Marketing & Events Manager 800.288.7750 • lauren@gaggle.net
