

LEADING STUDENT CENTERED COACHING

#160412 CR - Leading Student-Centered Coaching Webinar Series with Diane Sweeney and Ann Mausbach.

Leading Student Centered Coaching Webinar Series

Central Rivers has been offering a webinar series and book study based on the book: *Leading Student-Centered Coaching: Building Principal & Coach Partnerships*. We have found in many districts, there is lack of support to principals regarding how to lead a coaching effort. Throughout this webinar series, we tackle the tough issues that are associated with integrating coaching and teacher leadership into a school system. This webinar series includes eight, 75 minute sessions facilitated by the authors of the book: Diane Sweeney & Ann Mausbach.
